

NASCAR NEXT GEN CARS FIRST LOOK!

FANS ARE INVITED TO WATCH NASCAR CUP SERIES TEAMS TEST NEXT-GEN CARS ON JANUARY 25, AHEAD OF 2022 DEBUT

Fans can visit Phoenix Raceway on January 25, 2022, for a free first look at the new NASCAR Next Gen race cars in action. It's the first day of a two-day test session for NASCAR Cup Series teams as they prepare to debut their new cars for the 2022 season.

A portion of the grandstands will be open to fans from 10 am to 5 pm (times subject to change). Parking and admission are free of charge, and food will be available for purchase.

NASCAR, along with its manufacturers and teams, developed the Next Gen car to put the stock back into stock car racing, with new Toyota TRD Camrys, Chevrolet Camaro ZL1s and Ford Mustangs designed to more closely resemble the models available in showrooms nationwide.

The new cars utilize the latest technology to maximize performance, improve safety and increase connectivity to enrich the overall fan experience.

TRACK TIME!

A DRIVING 101 NASCAR RACING EXPERIENCE PUTS YOU BEHIND THE WHEEL OF A REAL NASCAR RACE CAR—ALL BY YOURSELF!

Motorsports' leading fan driving experience partners—Driving 101, which operates NASCAR Racing Experience, Richard Petty Driving Experience and Mario Andretti Racing Experience—have announced their schedule of event dates at major speedways across the nation, including Phoenix Raceway.

Their program lets race fans drive the same tracks as their favorite drivers—including Phoenix Raceway, as well as Atlanta Motor Speedway, Auto Club Speedway, Charlotte Motor Speedway, Daytona International Speedway, Dover International Speedway, Homestead Miami Speedway, Kansas Motor Speedway, Kentucky Motor Speedway, Homestead Miami Speedway, Las Vegas Motor Speedway, Michigan International Raceway, Nashville Superspeedway, New Hampshire Motor Speedway, Richmond Raceway, Talladega

Superspeedway and Texas Motor Speedway.

It's as real as it gets—you get to drive a real NASCAR Race Car by yourself. After a crew chief meeting, training and instruction, you get behind the wheel and drive a NASCAR Race Car for timed racing sessions. There's no lead car to follow, and no instructor rides with you, as you drive five to 48 minutes of track time. Get one-on-one instruction from a spotter over two-way in-car radio. In between every eight minutes of track time, you get a brief pit stop, then head back out to work on driving faster speeds. And YES, passing is allowed.

Prices for the NASCAR Racing Experience start at \$249.99 to drive a NASCAR race car, or \$129.99 for NASCAR Ride Alongs. Advance reservations are encouraged, as track times fill up quickly. Driving 101, with its three trusted racing brands, now runs at 16 nationwide speedways for NASCAR Racing Experience and 14 nationwide speedways for Mario Andretti Racing Experience.

The event comes to Phoenix several times during 2022. You can check dates and book reservation by calling 704-886-2400, or online at:
